The Wisconsin K-12 Energy Education Program (KEEP) invites K-12 teachers to register for a graduate course through UW-Stevens Point for only \$50. This course will require you to attend the Renewable Energy Summit on either Thursday/Friday or Friday/Saturday.

To learn more about this opportunity and to register for the course, visit:

www.uwsp.edu/cnr/wcee/keep

and click on Professional Development. This course is limited to 10 teachers.

We Energies is providing Teacher Conference Grants for teachers in their electric service territory. These conference grants will cover conference registration and other specific expenses up to \$750. The funding will be provided as a reimbursement after teachers submit receipts, a photo journal, and feedback survey. To learn more about We Energies Teacher Conference Grants, visit their Web site at:
